DEMONSTRATIONS AT FEDERAL
BUILDING, LOS ANGELES
CALIFORNIA, MARCH 9, 1965

Reference is made to prior memoranda captioned as above. The following information concerning the continuing activities of demonstrators in the vicinity of the Federal Building, Civic Center, Los Angeles, California, has been furnished by sources who have furnished reliable information in the past.

Sources one and two reported that at 8:35 p.m., March 11, 1965, there were approximately 50 persons marching on the city sidewalk on the North Spring Street side of the Federal Building. These persons were predominately young adults in their late teens and early twenties, and appeared to be under the leadership of [redacted] of the Congress of Racial Equality (CORE). A token number of demonstrators remained in the vicinity throughout the night.

Today, March 12, 1965, during the morning and early afternoon the pickets continued their picket line on the sidewalk in front of the Federal Building. At 2:00 p.m. March 12th there were only approximately twenty individuals on the picket line which increased by five by 2:30 p.m. [redacted] of CORE, held an open "press conference" during the mid-afternoon, March 12, 1965, and announced that three ministers would test the validity of the court order issued March 11, 1965, which prohibited picketing, assembly, etc., "for any purpose whatsoever," on the Federal Reservation consisting of the Federal Building and the surrounding property within the city sidewalks bounding the building. According to [redacted], these ministers (not named) would conduct a "prayer vigil" on the front steps of the Federal Building.

Assistant United States Attorney [redacted]
[redacted] reported that following [redacted] announcement, three ministers came to the office of the United States Attorney's Office to discuss the proposed "prayer vigil." Prior to leaving the ministers indicated they would obey the court order and not go through with the earlier announced proposal; however, when they left the building they "fell to their knees" and proceeded to go ahead with the prayer.

The above sources have indicated, twenty demonstrators moved to the steps of the Federal Building where subsequent to 5:00 PM they were holding a "prayer vigil," while some twenty-five additional demonstrators remained outside the boundaries of the Federal Reservation, and continued to walk on the city sidewalk in front of the Federal Building. Following 5:00 PM a public announcement from United States Attorney [redacted] indicated no action would be taken against the individuals defying the court order as the United States District Judges who issued the order had left for the day and were unavailable for any further action at this time.

[redacted] first Negro postmaster of a major metropolitan city, whose offices are located on the first floor of the Federal Building, has publicly deplored the actions taken by the pickets in this continuing affair, which started March 9, 1965.

b6
b7C

[redacted] local head of the United Civil Rights Committee (UCRC), and Reverend Julian Keiser, civil rights coordinator for the Council of Churches, told another news conference that they hope to enlist 10,000 persons in the march, demonstration, and subsequent memorial service to be staged in downtown Los Angeles from Pershing Square Park to the Federal Building and the Los Angeles City Hall, in the Los Angeles Civic Center, tomorrow (March 13, 1965). [redacted] reportedly stated, "We have no control over some individuals who don't recognize our leadership. We are trying to avoid having the civil rights movement condemned for what a few individuals do."

A third source advised that [redacted] Communist Party member, was busy contacting all members of the Long Beach Communist Party Club, Long Beach, California, during the morning of March 12, 1965, seeking their participation in the Los Angeles march from Pershing Square to the Federal Building, Saturday, March 13, 1965.

The above sources, and source four, have indicated that action for Saturday, March 13, 1965, is tentatively planned as follows:

- | | |
|------------|---|
| 10:30 a.m. | Assemble in vicinity of Pershing Square Park, central downtown, Los Angeles. |
| 11:00 a.m. | As the assembled throng is proceeding from the vicinity of South Hill Street between Fifth and Sixth Streets (location of Pershing Square Park) to the Federal Building, a delegation |

**DEMONSTRATIONS AT FEDERAL
BUILDING, LOS ANGELES, CALIFORNIA
MARCH 9, 1965**

of civil rights leaders will meet with United States Attorney Reel in his offices in the Federal Building, for an "open news conference."

b6
b7C

Later:

[redacted] will "ring" the Federal Building once (i.e. each demonstrator will take one tour around the sidewalk bounding the four sides of the building, and will then move on to the steps of the Los Angeles City Hall, and the area immediately adjacent to the front of the City Hall (which is one block south of the Federal Building), where speeches will be given and a brief memorial service for Massachusetts minister James J. Reeb will be held. The local news media has reported that Reverend Reeb died Thursday night, March 11, 1965, as a result of a beating he received during the racial strife in Selma, Alabama.

Source four indicated that according to local CCRK office, not only would the memorial service for Reverend Reeb be held at the City Hall steps on Saturday, but that on the following day, Sunday, March 14, 1965, an additional memorial service for him would be held at the First Unitarian Church of Los Angeles, 2936 West Eighth Street, Los Angeles, California (see appendix).

The Los Angeles Police Department and the Los Angeles County Sheriff's Office are cognizant of the proposed activities indicated above and will afford appropriate coverage. Lt. Colonel [redacted] and/or [redacted]

b6

[redacted] 115th INF, Region II, United States Army, Pasadena, California, have been kept fully advised of developments in this matter as the information became available.

An information copy of this memorandum is being furnished that agency and the Los Angeles Office of the Secret Service.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

APPENDIXCOMMUNIST INFILTRATION OF THE
FIRST UNITARIAN CHURCH OF LOS ANGELES

A source advised on May 11, 1964, that the premises of the First Unitarian Church of Los Angeles have been utilized for meetings by Communist Party members and sympathizers over a period of years. Speakers and lecturers at the church frequently espouse Communist causes or follow the Communist Party line. Communist front group literature is distributed at the church. The church is used by some Communist Party members for "mass concentration" work.

This same infiltration extends to adjuncts of the church such as the Unitarian Public Forum and the Unitarian Universalist Fellowship for Social Justice.

STEPHEN H. FRITCHMAN has been minister of the church since 1948.

Reverend STEPHEN H. FRITCHMAN is described in the Fourth Report, Un-American Activities Committee in California, 1948, page 115, as a very active "Communist fronter" and connected with numerous "Communist front organizations and activities."

Membership in the First Unitarian Church does not of itself connote membership in or sympathy with the Communist Party.
